

# ANGEL IN A BOX 2018

Welcome to Angel In A Box 2018

We hope you will be joining us again this year by sponsoring a gift for a child and becoming an "Angel"! This is our 6th year of being a part of this awesome time of giving!

Some of you have been Angels to our children for a couple of years, supporting them with birthday and Christmas gifts. You have helped to put smiles on children's faces and joy in their hearts!

Christmas is always a special time of year, but lets make it a time of giving a time to love! Remember Christmas is the spirit of giving without a thought of getting..... That's what Active Parties is all about.

Our theme for 2018 is "Christmas is in the Bag". We have lovely red and green drawstring bags we are using as gift bags for each child's gift. This way the child gets an added gift that they can use long after Christmas. These are ideal for sports bags, swimming bags and general use.

**Deadline for box  
drop off is**

**9th November 2018**

For those who don't know what we do ; we invite you to become an "Angel In A Box"! We are looking for "Angels" to fill a box for Christmas for the children from the Youth and Care Centres we support! The value of the box should be around R400.00. For most Children this will be the only gift they receive for Christmas!

Active Education Foundation has been working hard this year and has grown with lots of love and laughter and happy faces. There have been many changes with some children leaving and new little ones arriving.

We support over 50 children with Christmas gifts and birthday presents and hosted 6 birthday parties during the year and handed over a thousand of party packs. The children get to have fun and get spoilt at different party venues on the East Rand and take party packs to school on their birthday!
