

# ANGEL IN A BOX 2019

## “A Box Of Love”

Welcome to Angel In A Box 2019

We hope you will be joining us again this year by sponsoring a gift for a child and becoming an “Angel”! Some of you have been Angels to our children for a couple of years, supporting them with birthday and Christmas gifts. You have helped to put smiles on children's faces and joy in their hearts! Christmas is always a special time of year, but lets make it a time of generosity a time to give some love! I love this quote from Mother Teresa “ It's not how much we give but how much love we put into giving” That's what Active Parties is all about.

Our theme for 2019 is “A Box of Love”, we want your box to be filled with love and “lovely” gifts for Christmas!

For those who don't know what we do ; we invite you to become an “Angel In A Box”! We are looking for “Angels” to fill a box for Christmas for the children from the Youth and Care Centres we support! The value of the box should be around R400.00. For most Children this will be the only gift they receive for Christmas!

Active Education Foundation has been working hard this year and has grown with lots of love and laughter and happy faces. This year we added a home from Alberton, so took care of over 60 children between 3 – 19 yrs. We helped to provided them with parties and birthday presents during the year, making sure they have a memorable birthday! Now its Christmas time!

Our Christmas Party will be on the 30th November at the Girl Guides Gauteng East club in Benoni. The Girl Guides and Brownies will help to create a fun filled Christmas afternoon for the children.

## Gift Ideas for your “Box of Love”

All items should be new and age/gender-appropriate to the child’s name/age you are given. This year the House Moms have asked for **tog bags or weekend** bags. It’s something that ALL the children really need, as they do go in and out the Homes for weekends and school holidays.

So your main gift should be a weekend bag or tog bag. You can then add in some more personal goodies.

Here are some suggestions:

### **TOYS** - *Something to love*

Soft toy, tennis ball, finger puppet, yo-yo, building blocks, trucks and cars, doll, dress-up clothes etc.

### **EDUCATIONAL SUPPLIES** - *Something to do*

Felt pens, pens, pencil sharpener, rubber, coloring book, notepad, picture/puzzle book, pencil case, stickers etc.

### **ANGEL DELIGHTS** - *Something to eat*
